Besides this, the students recite religious prayer in the morning assembly and pay obeisance at the Gurudwara Sahib located within the college premises. Sangrand is celebrated every month in the College Gurudwara Sahib.
❖ To promote the message of harmony, fraternity and oneness of all beings, our college organizes community kitchen on the eve of Guru Ram Dass Gurpurab.
❖ Every year our college organizes a charity week in the month of April to commemorate the birth anniversary of Sant Pandit Nischal Singh Ji Maharaj in which students, teachers and donors from city donate clothes, shoes, toys, medicines etc. The collected items are then distributed among the needy sections of society.
❖ The College runs a Rotract-club in collaboration with Rotary club, Yamunanagar. Student members of the college work towards the social upliftment of the downtrodden masses. The projects undertaken by them include Polio Pulse programme, blood donation camps, visit to old age homes, seminars on life style issues, painting competition on current global problems.
❖ A blood donation camp is organized in the college every year. Students and faculty members extend an invaluable service to society by donating blood in these camps.
❖ Our college gives an annual donation of Rs. 6000 to Haryana Environmental Society and thereby contributes towards the attempts of making our earth a beautiful place to live in.

- ❖ In a humble attempt to pay tribute to a great philanthropist Bhai Kanhiya ji, our college is shouldering the responsibility of maintenance of Bhai Kanhiya Sahib Chowk. A gardener on a monthly salary of Rs. 1500 has been hired to look after the plants. Our college bears annual expenses of approximately Rs. 25000 for the maintenance of this chowk.
- ❖ Our college organizes a Campaign Week and Flag Day in the month of November to extend financial help to a New Delhi based organization named **National Foundation for Communal Harmony**. To sensitize our students about the communal issues and to promote the value of secularism, we encourage them to collect donations for this organization.
- ❖ Besides this, our college with the help of its students distributes pamphlets and forms among villages to make them aware about their problems and how they can approach NGOs for their solutions. Villagers greatly benefit from all this because they generally lack the knowledge of sources which they can approach in case of trouble.
