## Policy for Green Environment and Clean Campus

- Institution promotes eco-friendly environment by stepping up oxygen level on the campus.
- Strict instructions are given to the students to maintain and keep the campus clean.
- To ensure campus is litter free, clean and green adequate supporting staff is appointed including a gardener.
- Students and staff actively initiate and participate in tree plantation drive on and off the campus. Campus is enriched with medicinal and ornamental plants as per campus plantation program.
- More thrust is given to use of organic manure in the campus. Vermicompost plant is operational in the institute.
- Vehicle free day on last Wednesday of every month is being observed in the campus.
- Saplings are given to students on occasion of Sangrand. Every month College gifts saplings to all the dignitaries/guests as a token of respect.
